Dear Chris:

Once again I wish to thank you for contributing with your donation of 400£ to our Conservation Project in the steppes of Belchite (Zaragoza - Spain). Thanks to you and people and groups like yours the Ornithological Reserve goes on growing up and saving some of the last areas with high natural value.

Please, extend my thanks to your spring '97 group in Berdún and all the others that have contributed to the project. All of you are invited to visit the reserve whenever you have the chance.

I hope see you again soon and tell you good news about the steppes and their conservation.

Best wishes:

Juan Carlos Cirera Martinez
SEO/BirdLife manager in Aragón.
